Chapter 43
- Rainbow
of the Desert-

Wudang "Shoushi Dao" disciple, Zhaokun, had been stationed in this area for three years
His main purpose is to aid with Wudang Style's attack on Huashan, so he is familiar with the streets of Xian
AFTER WE PASS THROUGH SHAOCI ALLEY, WE'LL BE ALMOST THERE!

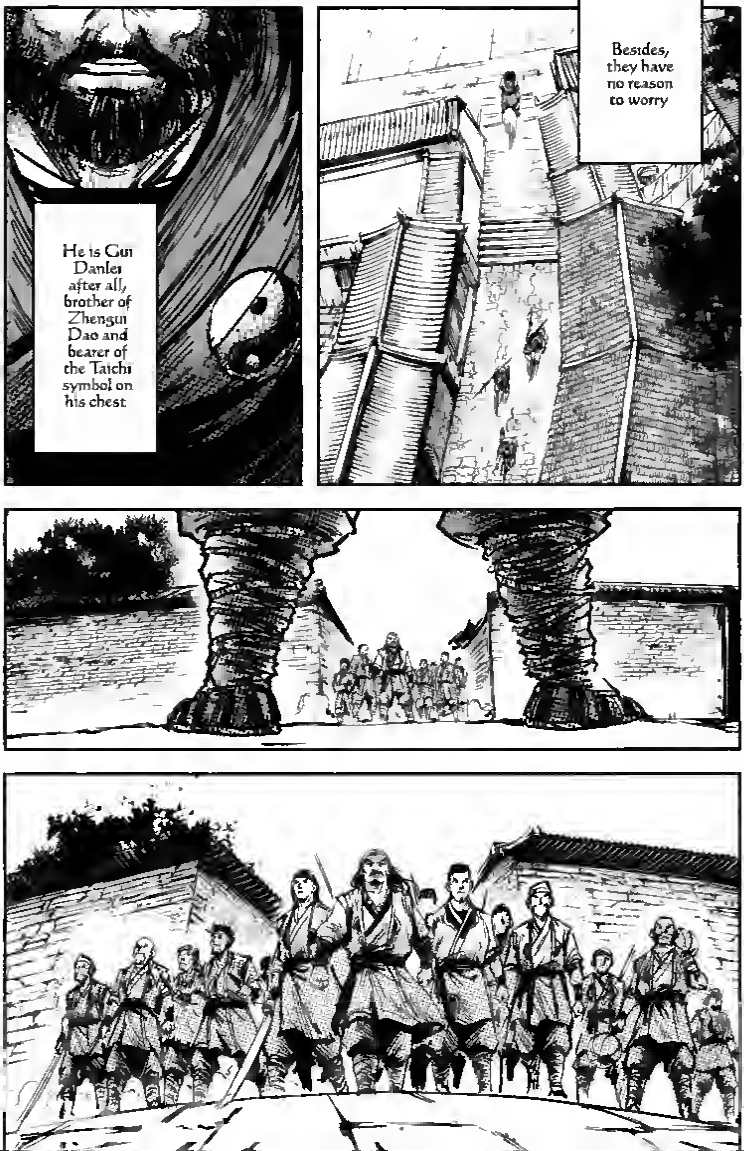
Shaoci Alley
An academy for scholars trying to pass the imperial examinations. It's built very tightly with the backdoors to the academy on either side of the alley. It is so narrow only two or three people can walk shoulder to shoulder down the alley.

OH!
INTEREST-ING! INTER-ESTING!

.....
ASSIS-
TANT
HEAD-
MASTER!
IT'S
THIS
WAY!

THIS WAY!
SISTER, ARE YOU SURE WE ARE GOING THROUGH HERE?
OUT OF THE WAY! OUT OF THE WAY!
IF WE MISSED IT, IT WILL BE REALLY TERRIBLE! REALLY TERRIBLE!

BROTHER GUI, LET'S HURRY!
The mysterious rider didn't identify himself as a friend or foe, but Gui Danlei didn't want to get tangled up in this crucial moment and secretly breathed a sigh of relief
YOU GUYS HURRY OVER THERE! I'LL STAY HERE AND BLOCK OFF THE ALLEY.
Although Gui Danlei doesn't know about the situation at the inn
if the West army managed to meet up with the East, the battle would become difficult.
Gui Danlei is assistant headmaster Xinghao's representative. Lidong, Jiaohong, and the others must obey



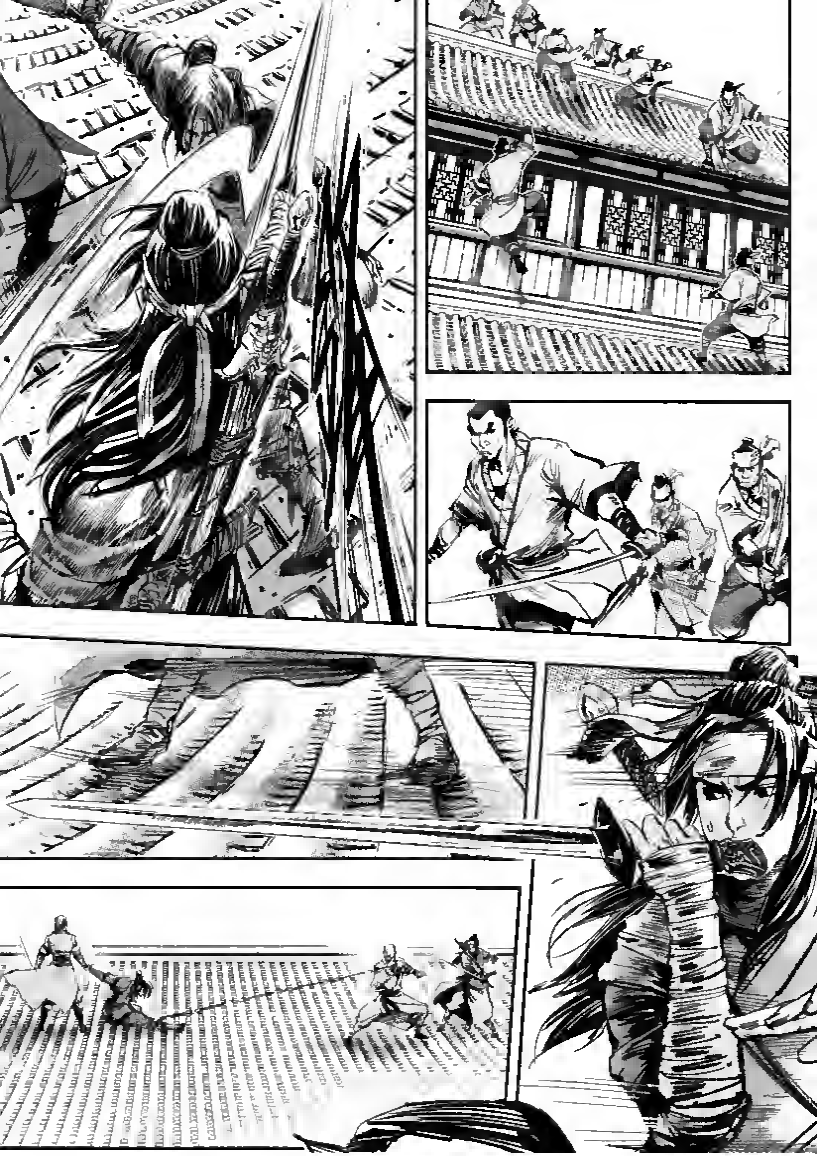
He is Gui Danlei after all, brother of Zhengui Dao and bearer of the Taichi symbol on his chest
Besides, they have no reason to worry

Their road ends here.
Gun Danlei did not say anything but his eyes already conveyed everything.

Although Jing Lie wants to witness Gui Daniel's martial arts, he is more worried about Yan Heng and Tongh and decides to head to the inn.

Gui Danlei knows the Hunter is a dangerous character. If the Hunter and Yin Yingchuan unite their attacks, he would be in a perilous position.
WHERE ARE YOU GOING? ARE YOU TRYING TO ATTACK ME BOTH THE BACK AND THE FRONT?
I'M WORRIED ABOUT MY COMPANION. CAN YOU LET ME GO THROUGH?
WE'LL MEET LATER
Although Gui Danlei doesn't know why, his instincts trust that the Hunter isn't that kind of person.
THEN WE'LL SEE EACH OTHER LATER.
THANK YOU.

Jing Lie and Gui Danlei are both mortal enemies but their conversation lightly resembles those of close friends.
But they both know that the next time they meet, there would be no holding back.



!?
Dong Sanqiao and Han Tianbao both thought Yan Heng had killed him and relaxed their grip. Fanzong took this opportunity to escape!

ぎゃ
ぎゃ

YOU WON'T ESCAPE!

DAMN...
Dong Sanqiao wanted to pursue, but seeing as Fan-zong had gained the high ground and has hidden weap-ons, they had to back away carefully

Yan Heng had let Fan-zong escape and was prepared to be yelled at by Dong Sanqiao,
But he didn't expect he would use such a shady move to attack him!
Mizong Door Forbidden Move
Shadow Foot

YOU DIDN'T THINK I'D SEE THROUGH YOU?
THIS GUY ISN'T A QING-CHENG STYLE DISCIPLINE, HE'S AN AGENT SENT HERE BY THE WUDANG!
YOU... WHAT ARE YOU SAYING?
DON'T FORGET HE ALSO LET GO OF THE GIRL WITH YAO LIANZHOU!
IF HE ISN'T AN AGENT, WHY DIDN'T HE KILL HIM? WHY DID HE LET HIM GO?
In reality, Yan Heng didn't help Fanzong escape, he just widened his stroke and missed completely. Fanzong escaped all on his own.
AND DIDN'T YOU HEAR? HE SAID HE WAS USING WUDANG SWORD TECHNIQUES!
DON'T SAY SUCH NONSENSE

Han Tianbao was in the middle and was unable to see everything that happened.
With the wording being so close, how can Yan Heng explain with such little time?
IT'S NOT LIKE THAT...
Fanzong had said "You are using a Wudang sword", based on the "Jingwu Sword", but Dong Sanqiao interpreted it as "sword technique".
No one in the crowd has seen either Qingcheng or Wudang sword techniques, so they can't distinguish between the styles
Because Han Tianbao didn't say anything, their suspicion against Yan Heng increased
BRING THE SWORDS!
THE GUY FROM WUDANG IS INJURED AND WOULDN'T MATTER. WE'LL KILL THIS SPY TOGETHER! AVENGE OUR BROTHERS!

There were others in the crowd with good foot-work, but none of them dared to pass over Gui Daniel's head like Jing Lie did.

I KNEW BEFORE THAT I WOULD BE GOING UP AGAINST YOU TODAY...
I'LL FINALLY GET A TASTE OF JUST HOW "UNDEFEAT-ABLE UNDER THE HEAV-ENS" WUDANG STYLE IS.

Although Cui Danlei's palms seem to be in bad shape, his scars are from the times he practiced taking down weapons with his bare hands.
DON'T WORRY. I WON'T DISAPPOINT.
Ever since he completed his "Taichi fists" five years ago, no weapon could harm his two hands.
THAT'S GREAT TO HEAR.

Yin Yingchuan firmly believes he has an extraordinary strength, but since studying the martial arts for forty years,
he had no opportunity to test himself. The enormity of that emptiness is self-evident.
Especially at fifty-two years old, what lies ahead of his martial arts career is only a downward hill.
This is unquestionably Yin Yingchuan's most important fight of his life.
To become the expert he believed he was, or to have wasted training for forty years.

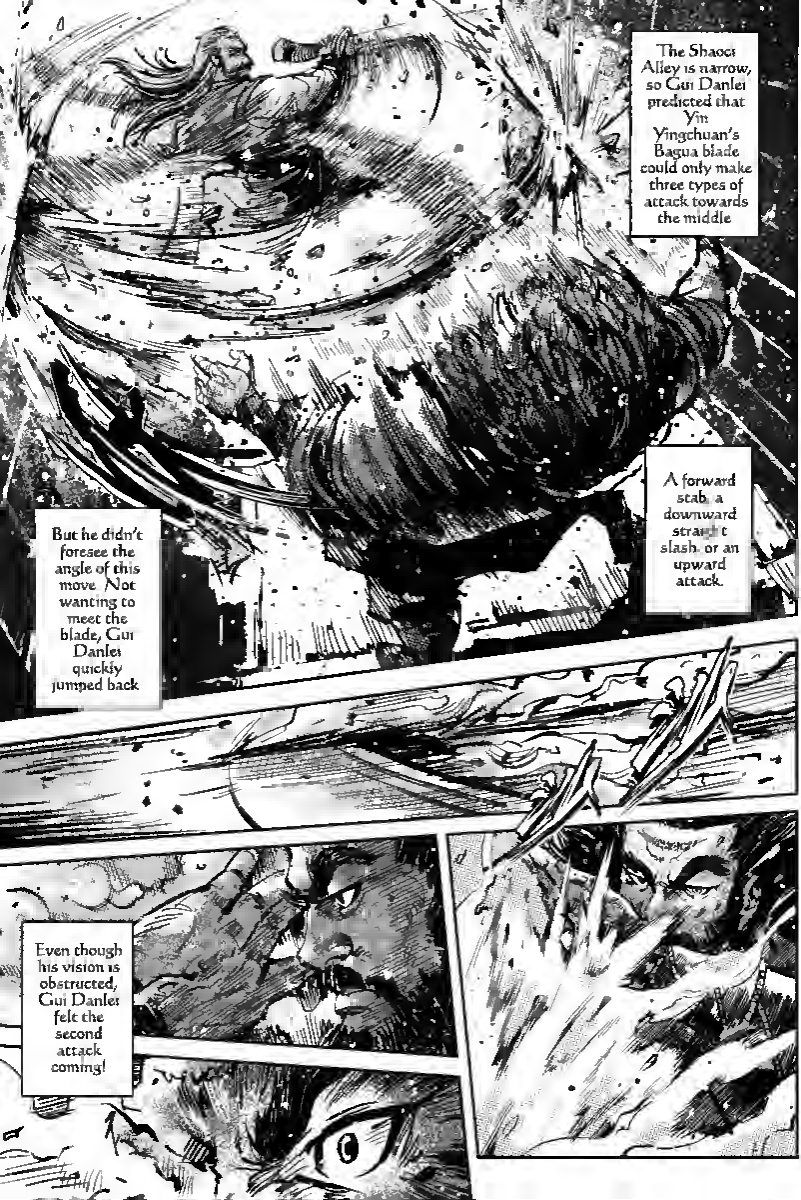
At this moment, the pressure Gui Danlei is feeling isn't less but rather greater than what Yin Yingchuan is feeling

Defend the Shaoci Alley and protect the headmaster, those are his missions. But against an outside enemy, a Wudang disciple's number one mission is to return only with victory.

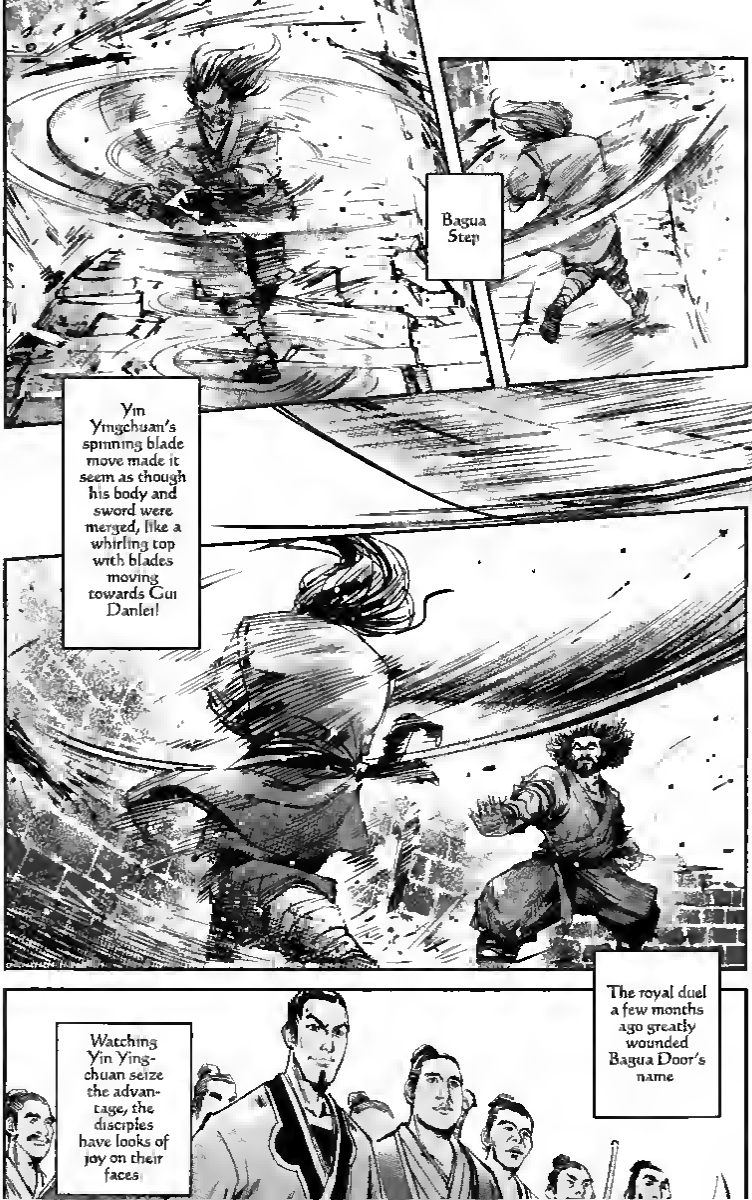
At the recent royal duel, Wudang had defeated Bagua.
Gui Danlei, being the head of "Zhengui Dao" against Bagua Door, he cannot afford to lose the honor his disciple had won back to them.
What Yin Yingchuan seeks is proof of his strength.
But what Wudang disciples seek is neither "strength" nor "expertise", but the status of "undefeatable".

All the Bagua Door members can feel their elder Yin Ying-chuan's aura and took a couple of steps back at the same time.
NONE OF YOU ARE TO MOVE A SINGLE FINGER WITHOUT MY ORDER.
Gui Dailei looks composed on the outside, but his energy and blood are boiling. He can feel a rush of energy about to burst from his body.
Suppress it, and guide it. Then let it explode at the most crucial moment.
His outside relaxed, his inner energy spread out. This is the ideal situation for "Taichi fists".

Yin Yingchuan pivoted from a straight sprint. The blade which was vertical with his right shoulder changed direction!
A horizontal slash!
The Fourth Move
Wind Trigram Slashing Grassy Spinning Blade
Bagua Door
"Night Slashing Old Eight Blades"



The Shaoci Alley is narrow, so Gui Danlei predicted that Yin Yingchuan's Bagua blade could only make three types of attack towards the middle
A forward stab, a downward straight slash, or an upward attack.
But he didn't foresee the angle of this move. Not wanting to meet the blade, Gui Danlei quickly jumped back
Even though his vision is obstructed, Gui Danlei felt the second attack coming!



Bagua Step
Yin Yingchuan's spinning blade move made it seem as though his body and sword were merged, like a whirling top with blades moving towards Cui Danlei!
The royal duel a few months ago greatly wounded Bagua Door's name
Watching Yin Ying-chuan seize the advantage, the disciples have looks of joy on their faces

Yin Ying-chuan won't give Gui Danlei any time to relax. With the momentum of his previous spinning blade, this third slash is even faster!
Gui Danlei calmly dodges using his eyes, ears, and skin to measure the speed and force of each move.
The moment needed to break a move lies in the ability to adjust to its rhythm. The more he sees the better he can grasp the weaknesses. Patience is the key

How can a forty year veteran like Yin Yingchuan not understand that same principle?

Yezhan Laobadao
"Night Clashing Old Eight Blades"
The Sixth Move
Fire Tiger's Burning Torch Charging Blade

Just a bit more!

I can't believe Bagua Door had hidden such a dangerous character like him!
Yin Yingchuan alternated his right spinning Wind Trigram and left churning Fire Trigram moves and forced Gui Daolai back another eight steps.
Damn! This long and you haven't used a single move. Are you really the opponent I was waiting for?

This full on battle has made him feel young again.
Aged past his fifties, Yin Yingchuan expended a lot of his stamina with the spinning blade. But ever since he fought, he's had the advantage and felt excited.
Even if they don't participate in a group attack, they can go help out at the inn.
Within twenty steps, Yin Yingchuan can force Gui Danlei out of the alley and the crowd can immediately rush up!
Gui Danlei actually has a counter plan, but he wants to observe more of the moves before using it.
However he no longer has that luxury.

Yin Yingchuan felt the sudden change, but there was no time left to switch his move, only enough time to complete the overpowering slash!
Gui Danlei used "forms" and imagined soft grass below him suppressing the instinctive human fear to quickly "fall" down
In Yin Yingchuan's eyes, the large body of Gui Danlei suddenly disappeared in front of his blade

Bagua Door's techniques start from the feet. Countering at the feet will counter the whole thing.
This fall and kick may seem comical, but Gui Danlei can avoid the slash while striking at his opponent's most vulnerable area!
Yin Yingchuan's line of sight is blocked by his own blade and can't see Gui Danlei's counterattack, but his senses as a martial artist tells him the attack is coming from below
The stroke in which he put in all his force in cannot be stopped. To avoid breaking his legs, he would have to let go of his blade
Yin Yingchuan had trained with this blade for nearly twenty years. How could he not have anticipated a situation like this?
He didn't change strokes. He didn't falter.
More importantly he didn't let go, and instead quickened his slash!

Yin Yingchuan didn't jump with his leg strength alone. It would not have allowed him to avoid Gui Daolei's move
He used the momentum from the huge Bagua blade and heavy sword strokes to "toss" his body up into the air!
Good–
Bagua Door's martial arts strictly forbids the feet leaving the ground. A flying kick like this should never be used.

But to patch the weakness in his techniques and weapon, Yin Yingchuan boldly opposed his Door and created a new move
If he can latch onto t- opponent's limb, his "Taichi fists" would give him a huge advantage!

Gui Danlei couldn't dodge in time and twisted his body to avoid hitting any vital points. He made his right chest take the blow.
Yin Ying-chuan can see Gui Danlei's firmly built body and knows that his kick won't be able to heavily wound him

But this was all a set up for his last, sure-killing technique.
Defeating Wudang Style. This will be the peak of his life.
To retreat, or to die, you choose!

Chapter 45
- Tiger's Den -

With Dong Sanqiao's signal, the other Mizong Door disciples confirmed Yan Heng as a Wudang and moved up to surround him!
Yan Heng thought about the time he confronted the Mapai Gang. The greatest danger when facing a larger number is getting surrounded, so it's better to be constantly moving.

DON'T FIGHT! CONFIRM THE SITUATION FIRST!
Han Tianbo had previously been saved by Yan Heng and cannot believe he is a Wudang spy.
These Mizong Door disciples are not coordinated at all, just fighting at their own pace. There is plenty of space for Yan Heng to continue this fight.
But his stamina is being expended at a great rate and there is no telling how much longer he can last

Damn!
His moves are so vicious! Each one is intended to kill!

Yan Heng is angered and instinctively drew the "Penetrating Tiger"
Coupled with the Qing-cheng Style dual sword technique, "Yuan-suo Sword" fundamentals, Yan Heng felt at ease wielding it!
Jing Lie hadn't taught Yan Heng how to fend off opponents while dual wielding, but Yan Heng had been practicing hard by himself learning how to use the sword left-handed

Yan Heng's eyes are bright and his heart is clear. The timing and location of each sword is extra precise and blocked off the swords from the eight people.
Even though his leg is still bleeding, Yan Heng is somehow drawn into this fight.
Jing Lie said I had talent dual wielding, and he's right!
Could it be... I'm naturally drawn to fighting?

YOU CO-WARDS!

Tong Jing had been practicing the "Wind-Fire Sword" and changed moves on reflex. She managed to force her opponent to defend!
Starting off the fight with an advantage, there is a wave of excitement in her heart.

Big success!
The technique he taught me is really high-class!
The Mizong Door disciple got used to her speed and begun to fight back
But Tong Jing only seized the advantage because of her initiative
STRIKE HER TOGETHER!

HELP!
Yan Heng seeing three people attacking Tong Jing only fueled his anger!
TONG JING!
PEW!

Subconsciously, he began imitate the pressure his master exerted when using "Penetrating Tiger".

CUT THEM BOTH DOWN!

Tong Jing moved up to help Yan Heng but two Mizong Door disciples blocked her halfway
She is desperate, but not in terms of her own safety
At the very least, I need to hold off these two so Yan Heng can fight less people!

But her opponent is stronger than her, and with each block, she is forced to take a step back.
EVERYONE STOP!

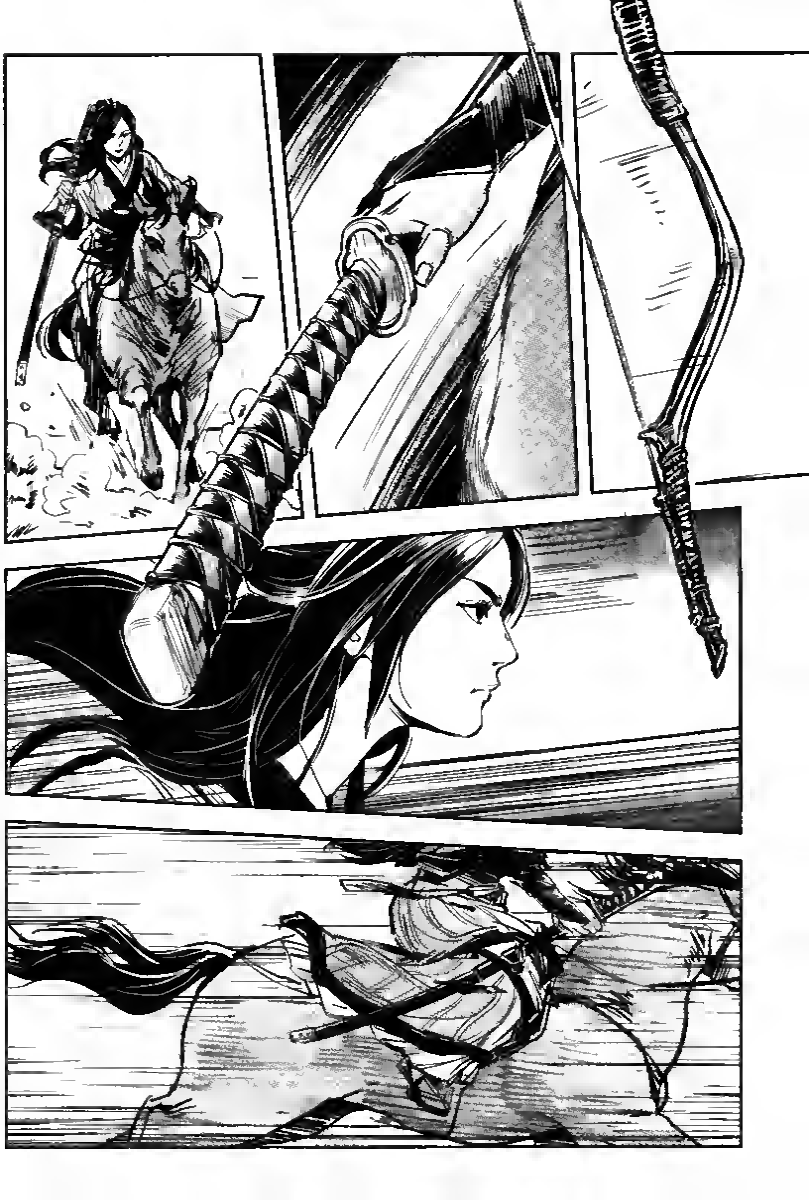
He was afraid during the fight that the Mizong Door might take the opportunity to jump down to attack the headmaster
Fanzong killed that Mizong Door disciple not to save Tong Jing.
Han Tianbao is regretful that his distraction cost another Mizong Door's disciple his life.
Tong Jing, with her pressure relieved, took two steps back to take a breath before fighting again

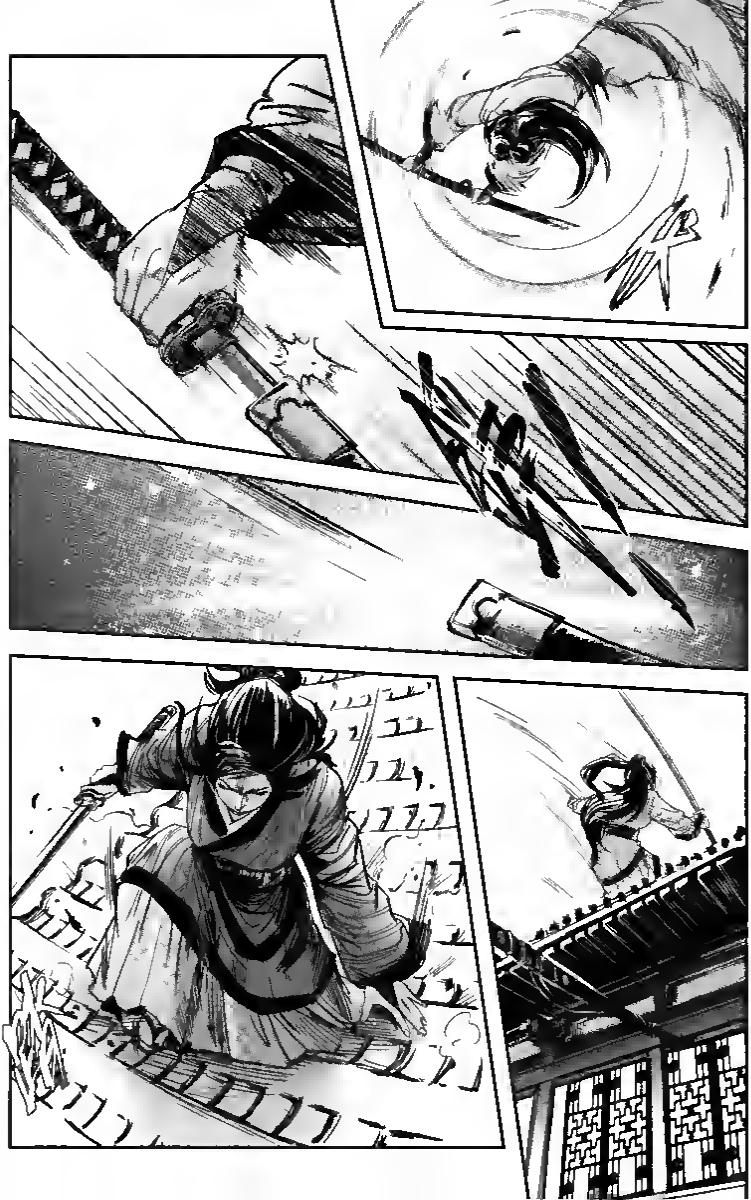
Jing!
Tong
Where Tong Jing fell is a tiger's den hundreds of times more dangerous than on the rooftop.
Because below, in that room, is one person

But Dong San-qiao and the four have been ready, how could they let Yan Heng break through their formation again?

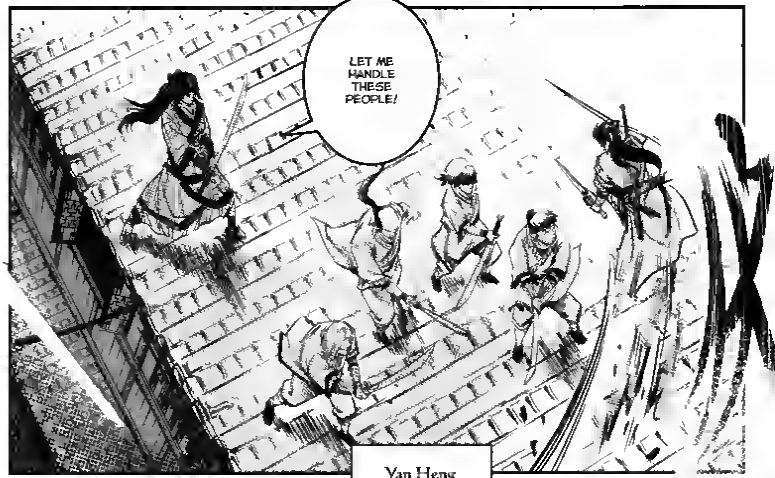
It's as though Yan Heng lost all feeling of pain. All he can think about is Tong Jing who fell through the rooftop...
I can't let her die for me!
Dong Sanqiao and the others thought Yan Heng is fighting towards the hole in order to join with the headmaster, and their attacks became even more ferocious
YOU TRAITOR! DON'T THINK YOU CAN GET AWAY!

DIE!





HMPH, I CAN'T BELIEVE WUDANG STYLE HAD GONE AS FAR AS TO MAKE CONNECTIONS WITH A JAPANESE WOMAN!



Yan Heng and Hu Linglan understood each other and sprinted without a word.

Hu Linglan and Jing Lie had split up to find Tong Jing After asking around, they discovered the army reached this place
SAVE HER QUICKLY!
DEMON WOMAN! DON'T LOOK DOWN ON MIZONG DOOR!
Yin Style Katana Technique
Flying Sparrow

Hu Linglan fought in several bloody battles as well as sparred with Jing Lie for a couple months. Her martial skills have risen again.

Elder, please.
He really is going to save his companion.
BE CAREFUL!
THANK YOU, ELDER!

DON'T MIND IT, GO!

HURRY AND GO!
Yan Heng knows what awaits him down there is out of his league, a place more dangerous than a mountain of blades or a sea of fire.
Yan Lian-zhou.

But he knows;
some things
you have to do
even if you die.

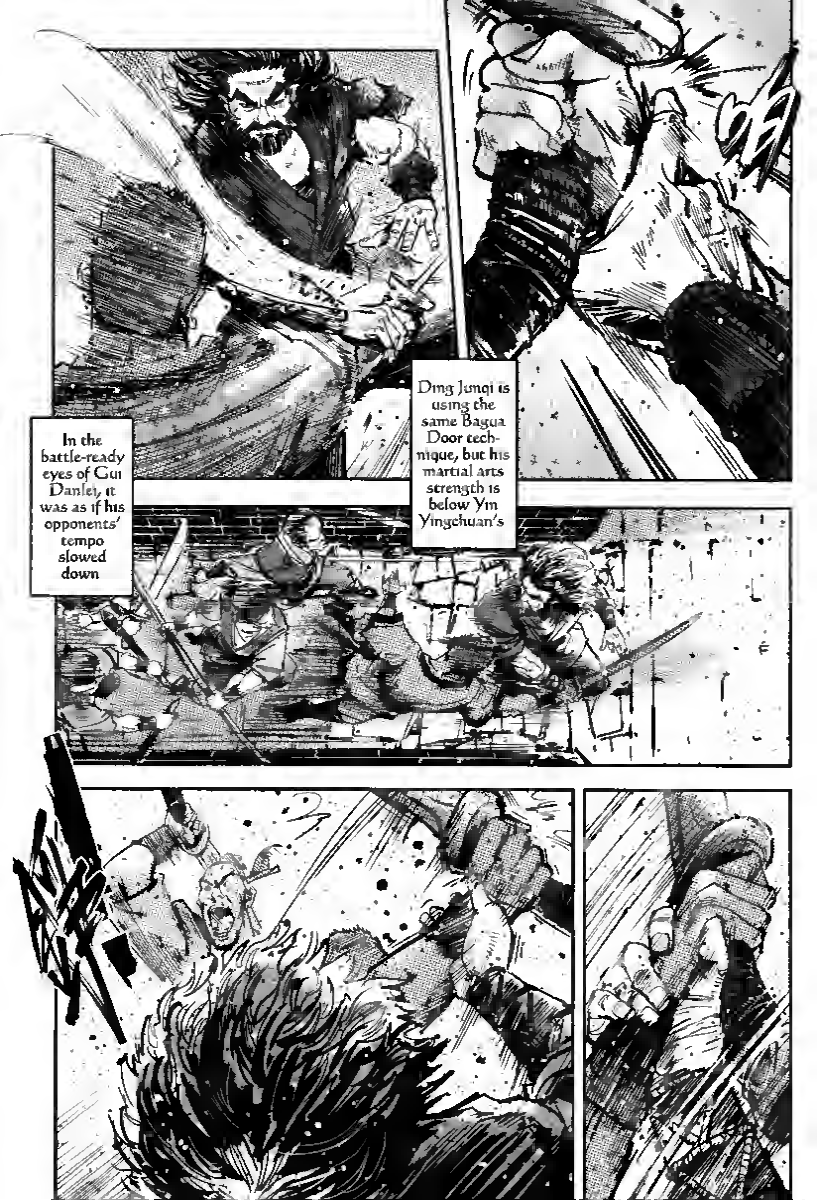
The most difficult part about "sword-catching" isn't the technique, preparation, or speed.
Only one chance. Succeed or die.
It's the gues
At this point, he can only hope he is faster than the dissipating force of "Taichi"
Yin Yingchuan remembers the method Jing Lie used to defeat "Taichi", but he had already put every ounce of his strength behind this move. There is no way he can change moves now

Taichi Fists:
Cloud Hand
The "nullification" technique was activated in this life or death moment!

Inflowing Breaking Force
Taichi's Thirteen Forces
Leaning Strength

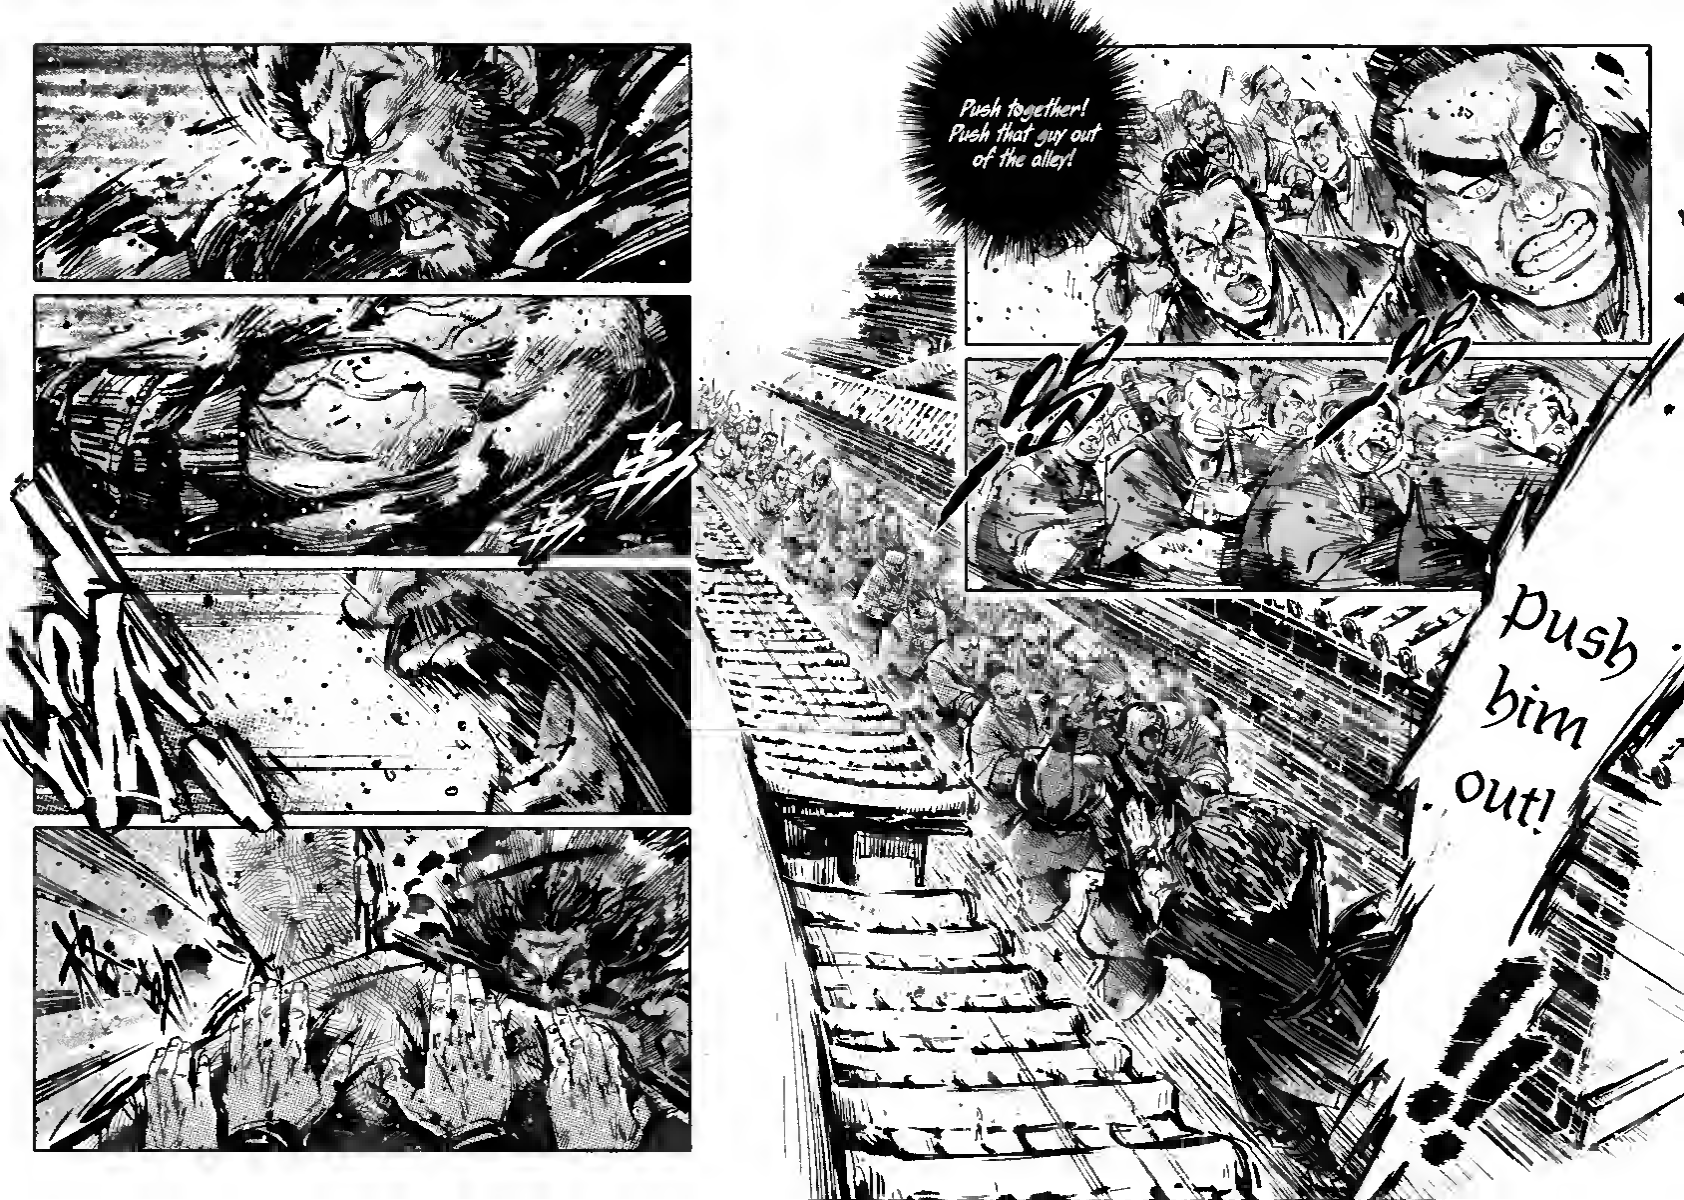


In the battle-ready eyes of Gui Danfeng it was as if his opponents' tempo slowed down
Ding Junqi is using the same Bagua Door technique, but his martial arts strength is below Yin Yingchuan's

Ding Junqi was pulled so quickly he was about to crash into the ground. Naturally, he leaned back to stabilize himself.
As soon as Gui Danlei sensed the motion change in Ding Junqi, he quickly altered his move
Following Ding Junqi's force, he dealt a heavy shoulder tackle!
When Ding Junqi met the resistance of the two behind him, he instantly grasped their position and movements

Gui Danlei lowered his waist in one swift movement, and using his shoulder in close proximity, triggered another strike!
This blow used the force from the two people in the back again. Ding Junqi was crushed between the two and his chest bones instantly shattered
Gui Danlei's "Taichi Fists" and his skills are at their peak, and his sensitivity to forces is beyond those of average people!

Gui Danlei was so intent on protecting this alley that he showed no mercy or restraint, and triggered a third blow!
Special Technique
Striking Ox Behind Mountain
Bagua Door and the crowd of the martial arts world were surprised and angered, but the alley was so narrow no one could do anything against it.
The force from "Taichi Fists" can go through the body of Ding Junqi and strike those behind him!



Push together! Push that guy out of the alley!
Push him out!

Gui Danlei has a technique that can disperse a larger force with minimal strength, but against this combined primal force of a hundred men, it is completely useless.

HURRY UP AND KILL HIM!
THEN WE'LL RUSH OVER AND CAPTURE THE WUDANG HEADMASTER!
DO YOU GUYS STILL REMEMBER WHAT HE SAID?
Although Gui Danlei is confident in his skills, in his current condition he wasn't sure whether or not he can break out of this enclosure.
"Slicing Moon in the Water" didn't wound his joints but he lost a lot of blood and has to conserve his strength when he can.

WE HAVE TO BAND TOGETHER AND KILL AS MANY WUDANG MARTIAL ARTISTS AS POSSIBLE!
THIS IS A BATTLE THAT CONCERNS ALL THE STYLES OF THE MARTIAL WORLD.
HE SAID THAT THE LAST STYLE TO WALK OUT OF XIAN WOULD BE DESTROYED BY WUDANG FIRST.
Gui Daniel also remembered a phrase he said this morning.
"We'll turn the streets of Xian into a mountain of corpses and a sea of blood."
But that mountain of corpses might include his body
All were simply waiting for the bravest, the first strike
The killing intent across the crowd permeates through street as though this was a battlefield.

DON'T MOVE.
Tong Jing couldn't believe that the man before her, so refined and graceful, was the one whose name is known throughout the world, the Wudang headmaster Yao Lianzhou,
Yan Heng's enemy!

LET ME BORROW THE SWORD.

Although I'm far slower than normal...
She caught my movements?

Cough
Cough
Cough
Cough
He was also poisoned.
Tong Jing could see Yao Lianzhou's pale face. It was exactly like Shuqiao, who had collapsed outside the door.
I-I BOUGHT IT FROM A PAWN SHOP...
THIS IS A WUDANG SWORD. HOW DID IT END UP IN YOUR HANDS?

IF YOU LEAVE THE BED, YOU WILL DIE.
XIAOYAN, HIDE BEHIND THE CHAIR. DON'T COME OUT.
.....

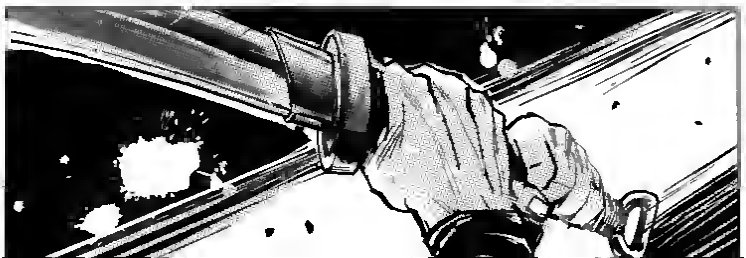
Wudang Force Sword!
Yao Lianzhou already sensed that the enemy had surrounded the inn
This door is the last gate, it cannot be lost.
Even in the face of a fearsome enemy, Xinyi Door's martial artists have honed a second nature through years of training, so they can fight without panicking.
Horizontal Blade!
Collapsing Blade!
Tunneling Blade!
Xinyi Three Joint Blade!

Lin Hongyi felt the weakness behind Yao Lianzhou's blade and felt a surge of excitement
He's heavily injured!
Yao Lianzhou was so deeply poisoned that his entire body became half paralyzed; he is having difficulty standing. How will he be able to use his "Taichi", which is based on his sense of touch?
All of his current moves are based on his instinct and experience, using minimal strength and attacking at the most advantageous angle.
Even though he is in such a perilous situation...

The word "defeat" didn't even cross his mind

Yao Lianzhou's body is on the verge of collapsing
but in the last instant he used "Chasing Form, Cutting Pulse"
He'll use this strike to bring back the name of Xinyi Door!
Lin Hongyi knows Yao Lianzhou doesn't have any strength left in his body but he still can't cut him down. In contrast, Yao Lianzhou had instantly crippled the hands of his two brothers!

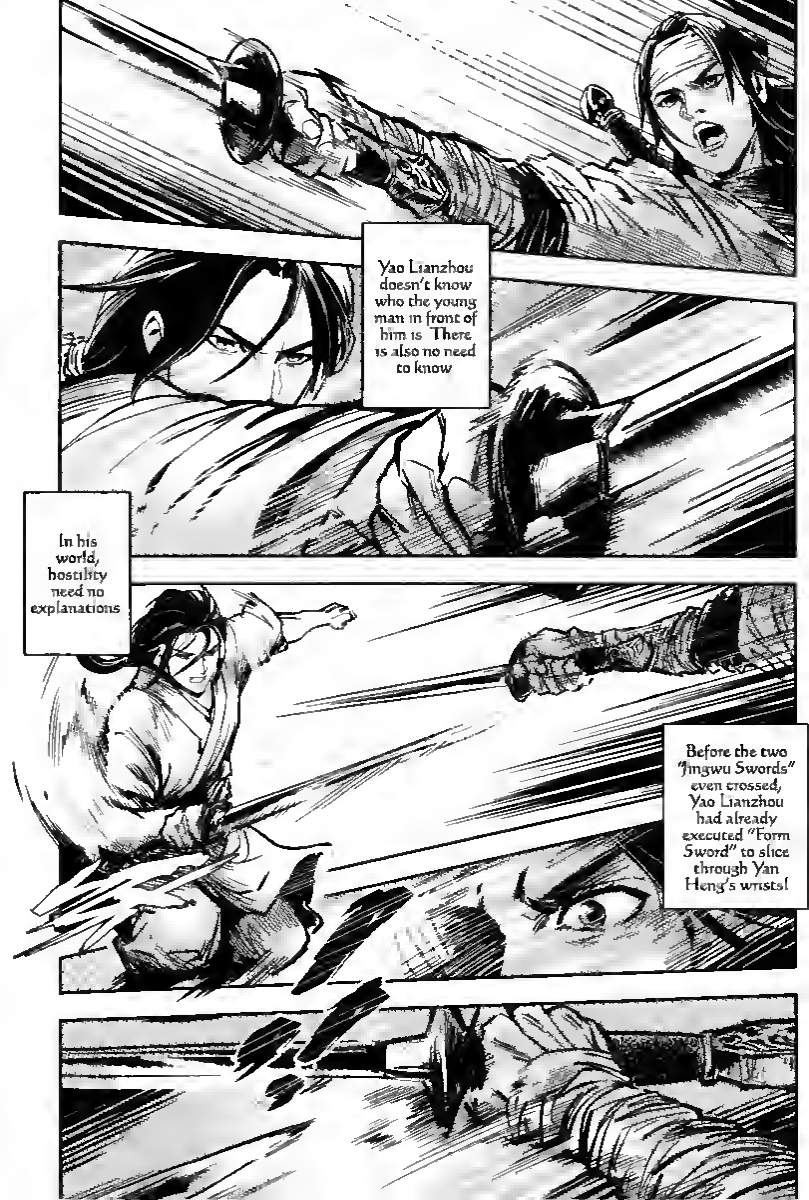
The main reason why Yao Lianzhou is dangerous is because he can see openings that his enemies don't even know exist



Even if you are physically weaker than your opponent, you can still obtain victory this way!
When she saw that Yao Lianzhou was still able to use the intricate "Wudang Form Sword" despite losing all of his strength, she came to a certain realization
Ever since Yan Heng and Jing Lie opened up a new area of swordsmanship for Tong Jing, she has been thinking about how to get stronger these past months

Tong Jing can't express the happiness in her heart seeing Yan Heng jump down without a second thought to save her
I'M GLAD YOU'RE OKAY.
When their eyes met, it was as though a moment of warmth was exchanged between the two.
Yan Heng saw that Tong Jing wasn't injured and felt a wave of relief
Yan Heng felt a maddening fury seeping through his chest
YOUNG LORD!
Yao Lianzhou. Wudang headmaster. Number one enemy.

Because of this man's orders, for the title of "undefeatable under the heavens",
his teacher, seniors, brothers, all were killed. "Xuan Menshe" burned down. The Qing-cheng style, destroyed.
Yin Xiaoyan recognizes Yan Heng as the one who saved her
Yan Heng witnessed Ye Chenyuan killing his teacher, his headmaster, and he knows the difference between himself and Yao Lianzhou
To protect Tong Jing, he had already given up everything!
But from the rage in Yan Heng's eyes, she can see that his hate for Yao Lianzhou is different from those of any others



Yao Lianzhou doesn't know who the young man in front of him is. There is also no need to know.
In his world, hostility need no explanations.
Before the two "Jingwu Swords" even crossed, Yao Lianzhou had already executed "Form Sword" to slice through Yan Heng's wrists!

Naturally, Yao Lianzhou's stroke in his current state, is not even half as swift as Ye Chenyuan's
Yan Heng has been practicing using the fight between his master and Ye Chenyuan as a guide and was able to avoid the Wudang Form Sword
Yan Heng knows in the face of a stronger opponent, he has to give pressure in order to have a chance for survival
This tactic is unknowingly the same way He Zisheng fought Ye Chenyuan.
He uses his two swords to continuously attack and not allow Yao Lianzhou any moments of respite

Yao Lianzhou doesn't have the stamina to continue and has to use the smallest amount of strength and the most effective angles to block Yan Heng's waves of attack.
The three swords haven't crossed once, but the two are fighting splendidly.
Originally, they drew their swords to protect the women behind them, and partially held back.
But after the two crossed moves the martial artists' blood within them hungered for the other's sword

And that Qing-cheng Style disciple can fight on par with him!
Only when the Ximyi Door group are not involved could they see how Yao Lianzhou used his sword.
DIDN'T YOU HEAR WHAT DONG SANQIAO SAID ON THE ROOFTOP?
HE MIGHT BE A SPY FAKING TO LURE US IN.
BROTHER YAN, YAO LIANZHOU REALLY SUFFERED AN INTERNAL INJURY.
TOGETHER WITH THAT QING-CHENG STYLE DISCIPLE, WE'LL BE ABLE TO SUBDUE HIM!
BUT IT DOESN'T LOOK LIKE THEY ARE FAKING A FIGHT...
JUST OBSERVE, DON'T BE IMPATIENT!
Yan Heng's dual swords felt more and more natural, as he remembered what Jing Lie had said
From striking down Fanzong's flying dagger to fighting against Muzong Door's eight different swords, then fighting on par with Yao Lianzhou,

A true genius firmly believes he is a genius.
On any other day, Yao Lianzhou's "Form Sword" would be unstoppable
But now, he can barely hold on to his sword and Yan Heng's other sword is already on its way
Knowing how to change moves, but having a body that can't respond...
To a martial arts expert, it's humiliating!

In his anger, Yao Lianzhou uses Wudang's strongest self-sacrificing sword technique
Wudang Soaring Dragon Sword
This stroke is almost double the speed of all his other moves!

The high speed shine of the sword seemed to trigger some ability withm Yan Heng's body!
Just like the day "Fierce Dragon" pierced the jaws of Xi Zhao Ping
It's just an ordinary block with the two swords crossed facing towards the enemy, but that speed, power and momentum felt just like the "Female, Male, Dragon Tiger Sword Technique"

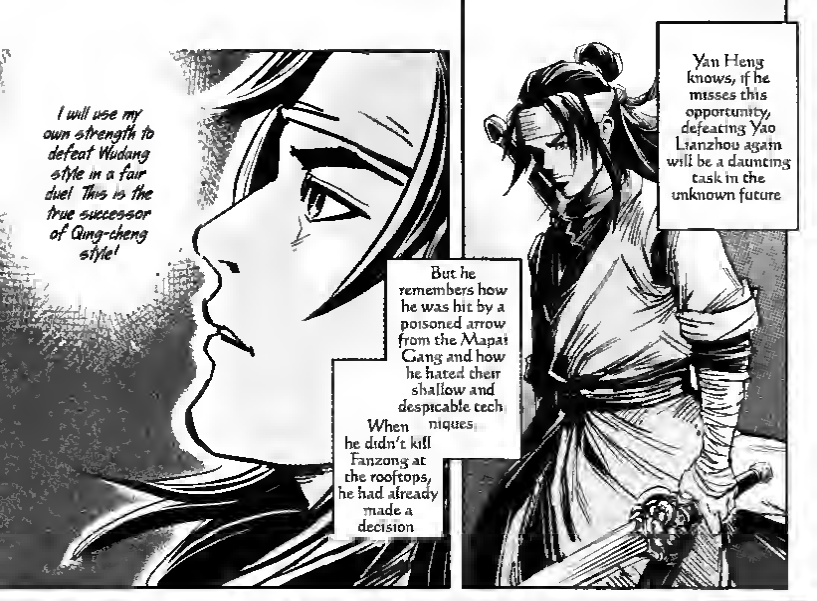
Breaking Vault of Heaven

HE'S BEEN POISONED.
WHEN I WAS OUTSIDE, HE WAS THE ONE WHO SAVED ME.
When Yao Lianzhou heard, he knew Yan Heng wouldn't allow harm to fall on Xiaoyan and felt his heart relaxing

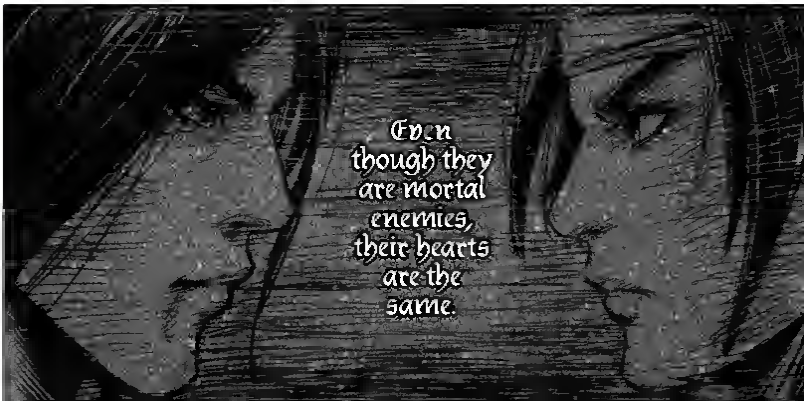
Yan Qingtong said Yao Lianzhou suffered an injury on Huashan, but in reality he was poisoned. That's why Wudang had to defend that rooftop...
Judging from his looks, he was poisoned not too long ago... When Daikui gave the antidote to that lady... Yan Qingtong looked really worried...
YAN SHAOXIA, YOUR ENEMY IS IN FRONT OF YOU!
WHY WON'T YOU STAB HIM? CRIPPLE ONE OF HIS ARMS!
Why isn't he stabbing down? Is what Dong Sanqiao said true?
YAN SHAOXIA, WHY ARE YOU LOOKING AT ME LIKE THAT?
He was the one who poisoned him!
Right now he wants to meet one person: Jing Lie.
Remembering how he held his hands while leaving, Yan Heng felt a sense of disgust



I will use my own strength to defeat Wudang style in a fair duel. This is the true successor of Qing-cheng style!
But he remembers how he was hit by a poisoned arrow from the Mapai Gang and how he hated their shallow and despicable techniques.
When he didn't kill Fanzong at the rooftops, he had already made a decision
Yan Heng knows, if he misses this opportunity, defeating Yao Lianzhou again will be a daunting task in the unknown future

THE TECHNIQUE YOU ARE USING ISN'T HUASHAN STYLE... IT'S QING-CHENG STYLE?
Yan Lianzhou can see Yan Heng's hate towards him
It is certain that he is the survivor of a style that has been destroyed by the Wudang

Yan Heng didn't strike towards him but Yao Lianzhou isn't surprised
They are both martial artists and Yao Lianzhou understands how Yan Heng is feeling.



Even though they are mortal enemies, their hearts are the same.

Chapter 48
- A Meeting of Fate -

Gui Danlei's head is completely blank. The only things driving him are the training and combat engraved in his bones.
And the dignity of being a Wudang disciple.
MY GOD! WHAT RANK IS HE IN THE WUDANG STYLE?
IT'S IMPOSSIBLE FOR ALL OF THEM TO BE AS STRONG AS HIM!
NO WONDER THEY DARED TO LAY CLAIM TO THE TITLE OF "THE STRONGEST UNDER THE HEAVENS"...

They have nothing on their minds except to end the life of their prey.
There is no trace of a martial artist's spirit left within the people surrounding him. Instead, they are like a horde of primal hunters
It's almost over...
At least, I'll take half the people down to hell with me.
COULD IT BE... THE EAST ARMY HAS ALREADY BEEN DEFEATED AND HAVE FLED HERE?
THEY DON'T LOOK FRIENDLY...
OVER THERE... WHO ARE THEY?
REINFORCE-MENTS?

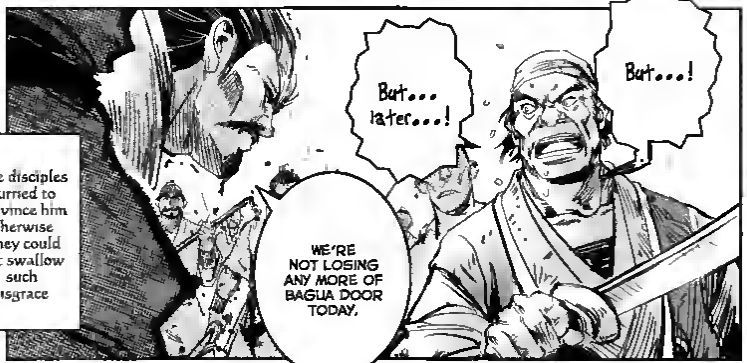
IT'S... THE WUDANG!
...NO...

BROTHER GUI.

Upon hearing the word "brother", a shiver went through the west army Suddenly there were tens more Wudang disciples!
Even though the west army was more than double in numbers, their morale dropped from Wudang's sudden appearance They are leaderless and unable to press on or back down.

I NEVER THOUGHT I WOULD SEE YOU SO BEAT UP.

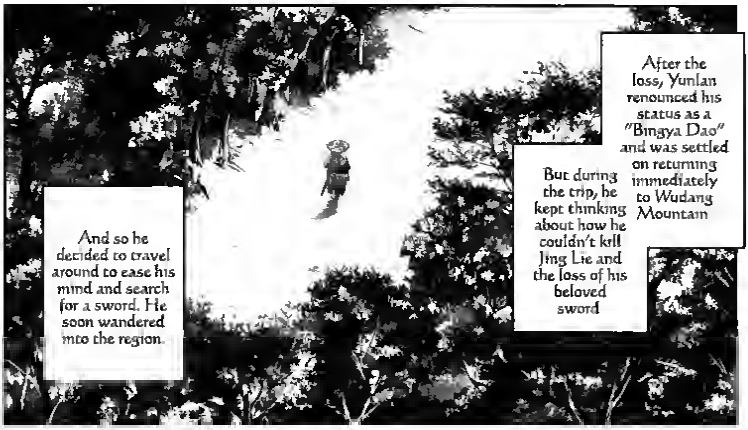
Yin Yingchuan's chest bones and half his ribs are broken. It's a miracle that none of the bones have pierced his innards.
DO YOU WISH TO CONTINUE?
Gui Danlei also suffered internal injuries. Coupled with the bleeding and cuts, he is in the same condition as Yin Yingchuan.
PERHAPS...
BUT... TEN YEARS AGO, I HADN'T EVEN STARTED LEARNING "TAICHI FISTS".
IF IT WAS TEN YEARS AGO...
...MY BLADE WOULD HAVE... STRUCK FASTER AND KILLED YOU.
A warrior doesn't know when the most important fight in his life is going to take place
Once he steps down that road, he remains a warrior for the rest of his life
YES... PERHAPS...
Gui Danlei's answer filled Yin Yingchuan with shame



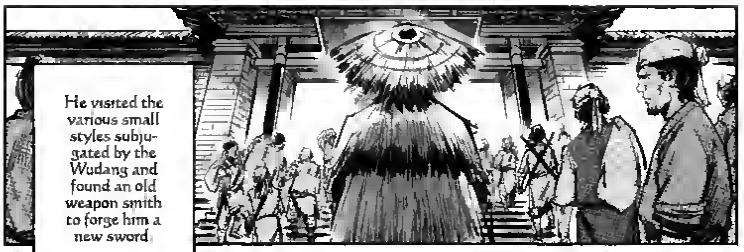
The disciples hurried to convince him otherwise They could not swallow such disgrace

Because of Bagua Door's absence, the rest also began to disperse.
THEY ALL LEFT...
WHAT DO WE DO NOW...?
... LEAVE TOGETHER I GUESS.
Out of fear that the Wudang would retaliate, the other martial artists quickly followed Bagua Door
Meanwhile, many people shamefully removed the white cloth dedicated to He Zisheng

IT'S A LONG STORY...
WHO ARE THE PEOPLE FOLLOWING YOU? WEREN'T YOU AT SICHUAN?



And so he decided to travel around to ease his mind and search for a sword. He soon wandered into the region.
But during the trip, he kept thinking about how he couldn't kill Jing Lie and the loss of his beloved sword
After the loss, Yunlan renounced his status as a "Bingya Dao" and was settled on returning immediately to Wudang Mountain



He visited the various small styles subjugated by the Wudang and found an old weapon smith to forge him a new sword.

So he travelled around the area controlled by the Wudang, gathered forty disciples from allied styles outside the mountain, and hurried into Xian to help.
In Nanyang, he heard that the headmaster was being hunted and felt that things weren't normal.
LOOKING AT THEIR FACES, IT DOESN'T LOOK LIKE THEY CAME HERE WILLINGLY...
THANKFULLY WE DIDN'T HAVE TO FIGHT. OTHERWISE THEY WOULD HAVE DISPERSED AND WE WOULD BE DEAD, EH?
Can't you see I'm mortally wounded...?!
A single touch could take my life...

BROTHER GUI!
DON'T DIE YET! WHERE IS THE HEAD-MASTER?
XIAO YAN IS WITH THE HEADMASTER. THERE IS NO NEED TO WORRY...
IT'S NOT THAT EASY TO KILL ME OFF!

STOP!
STOP FIGHT-ING!
WHY DID YOU LET THAT AGENT IN?
YAN HENG ISN'T AN AGENT! HE SAVED MY LIFE!

HOW DO YOU KNOW THAT WASN'T AN ACT? I SAW HIM LET GO OF THAT WUDANG STYLE BAS-TARD!
I SAID STOP FIGHTING, SO STOP FIGHTING!
THAT KID AND THE DEMON WOMAN WOUNDED OUR MIZONG DOOR. ARE YOU GOING TO LET THEM GO?
I SAID DON'T FIGHT! DO YOU STILL REFUSE TO LISTEN?
LOOK! THAT BASTARD KILLED WHO KNOWS HOW MANY OF OUR BRETHREN. AND YET, YOU'VE ALLOWED HIM TO ESCAPE!

LEAVE EVERYONE THERE TO ME.
YOU GUYS FIGHT YOUR WAY THROUGH DOWN THERE.

THIS GUY SHOULD HAVE CHANGED UNIFORMS TO "BINGYA DAO'S" BLACK CLOTHES A LONG TIME AGO
WE'LL ENTER THROUGH THE FRONT DOOR.

LET'S GO!
.....
There are only three Wudang disciples.
But no one in the crowd dared to stop them.

We already lost too many Mizong Door disciples. There mustn't be any more casualties!
YOUR OPPONENT IS ME!
THE FIRST ONE WILL BE YOU!
Han Tianbao is adept at fist techniques and already calculated the distance between Xi Xiao Yan and himself. He has already formed a plan to stop the blow and counterattack!

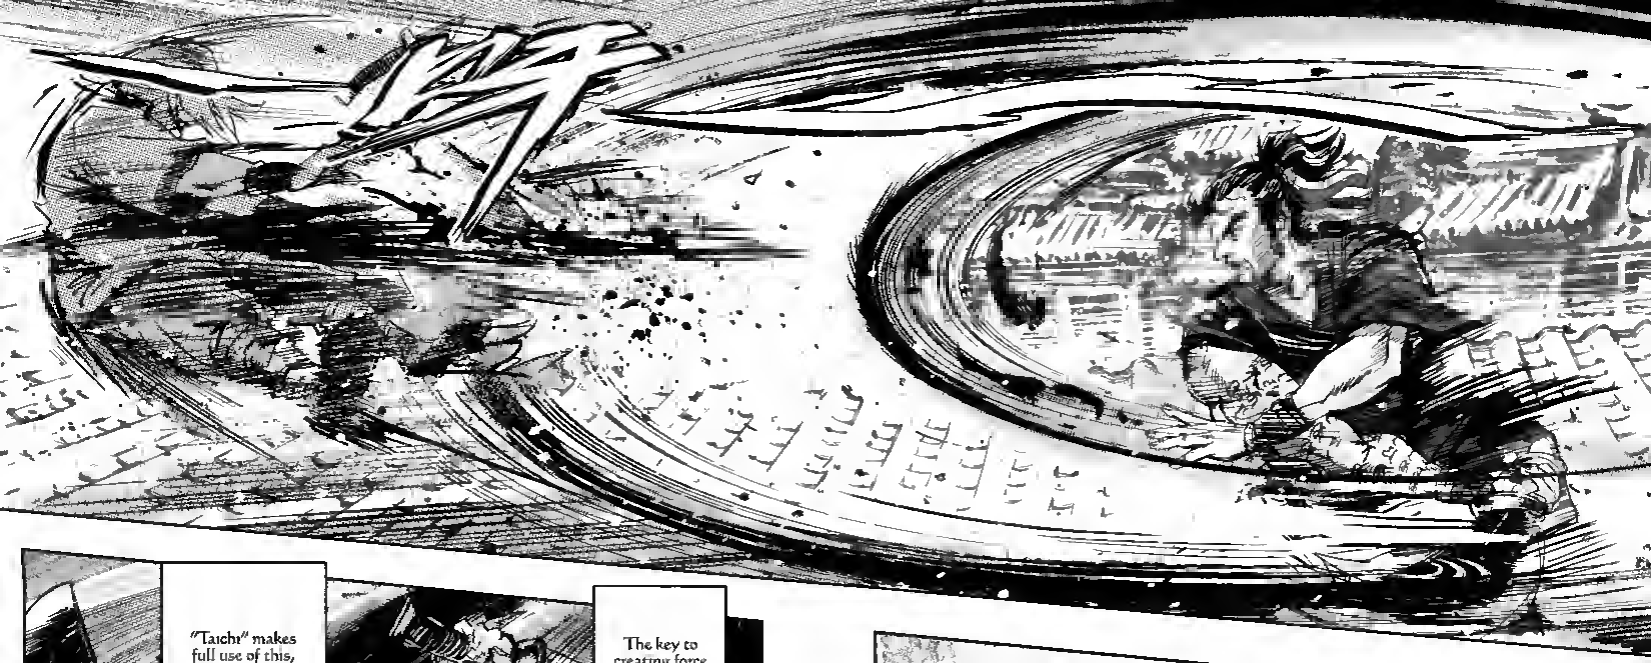
啪!

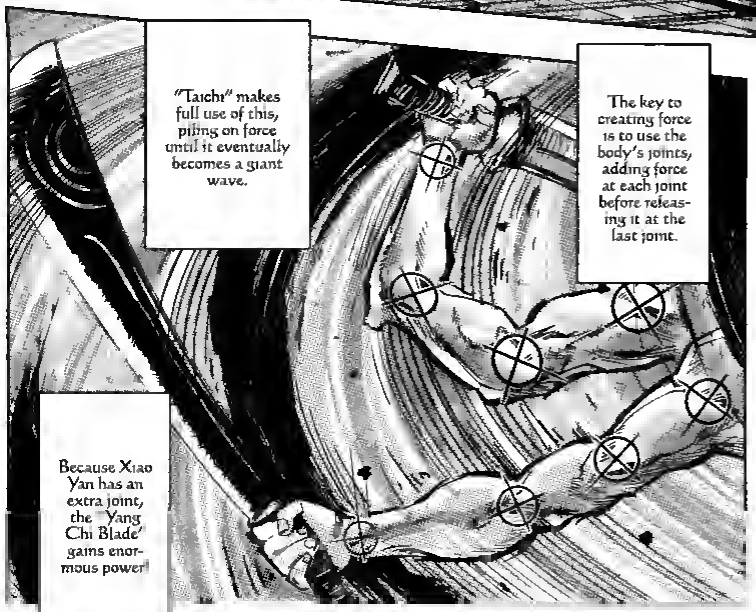
HOW...? AT THAT DISTANCE ...?
Han Tianbao didn't have a chance to react before he was already struck by Xi Xiao Yan's heavy right fist

How can anyone in the world have such a long arm?
One move and he has already gravely injured Mizong Door's renowned Han Tianbao.
Xi Xiao Yan's first strike after coming down the Wudang Mountain is enough to shake the world of martial artists.

NEXT!
GOOD LORD... HE HAS TWO ELBOW JOINTS!
With an arm like that, what kind of sword techniques will he use?
Right now the people on the roof-top have unified regardless of friend or foe. They now face one question.

Yang Chi Blade
Thus, his uniform is half black and displays the white "Yang Yin" symbol
Xi Xiao Yan has learned "Taichi Fists", but his personality is fierce and he doesn't use the technique of sensing forces. Instead, he focuses on creating and using force





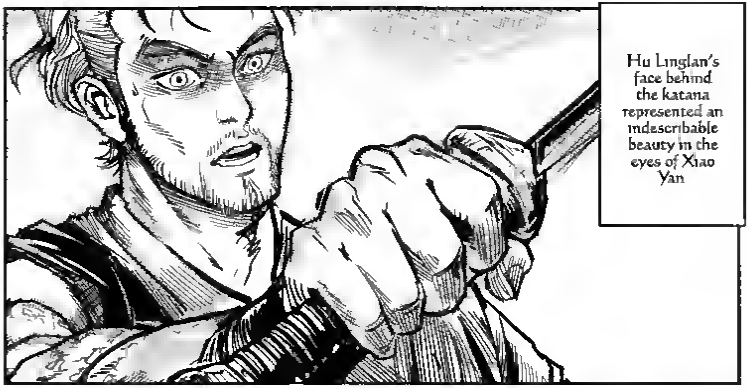
"Taichi" makes full use of this, piling on force until it eventually becomes a giant wave.
The key to creating force is to use the body's joints, adding force at each joint before releasing it at the last joint.
Because Xiao Yan has an extra joint, the "Yang Chi Blade" gains enormous power!

IT'S AS THOUGH HE'S NOT HUMAN...

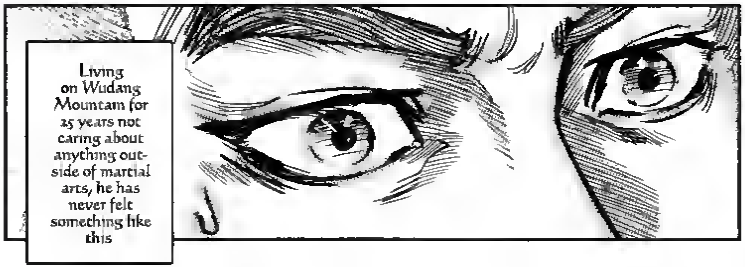
The simplest move and superhuman strength
There are no openings!
Dong Sanqiao has no thoughts about whether he will win. He wonders whether he will survive.

Ever since Xiao Yan learned "Yang Chi Blade", he has never met a person who could withstand the full force of his blow.

And it is a woman!



Hu Linglan's face behind the katana represented an indescribable beauty in the eyes of Xiao Yan



Living on Wudang Mountain for 25 years not caring about anything outside of martial arts, he has never felt something like this

No one else had ever shocked her,
At the same time, Hu Linglan is also surprised. The person in front of her has more force behind the sword than hers with his one hand!
except one person

Jing Lie, where are you...?
